

## Edinburgh Napier University: Partner Institutions - Europe (Erasmus+)

The list below shows where **Student Mobility** (exchanges) may take place. There is a yearly quota of places at each institution.

**Nursing and Midwifery students** should refer to your programme's Moodle site for relevant information, or contact the relevant mobility coordinator in your School for advice about possibilities (Nursing: Mandy Gentleman [m.gentleman@napier.ac.uk](mailto:m.gentleman@napier.ac.uk) Midwifery: Margaret Moran [m.moran@napier.ac.uk](mailto:m.moran@napier.ac.uk))

For more detailed information on the institutions below, including links to **module catalogues**, please see the [Exchange Portfolio](#). If you go to a European destination you will normally need to take modules worth **30 ECTS credits per semester** while abroad, depending on your programme.
