Dear Afshin

Thank you so much for your very kind donation of £500 from UNISON at Napier University. Thank you for choosing to support CHAS in this way. By supporting Children's Hospice Association Scotland (CHAS) you have directly helped us provide a lifeline to over 300 families and children who use our hospice services at Rachel House and Robin House, as well as our homecare service CHAS at Home.

Caring for a child or young person with a life-shortening condition can place extreme demands on a family, physically and emotionally. Your donation allows us to ease the burden by offering invaluable short planned breaks, emergency support and end of life care for children, young people and their families throughout Scotland. Some families will spend time together in the hospices enjoying a short break, safe in the knowledge that their child is receiving the best possible care. Other families will benefit from the support of our CHAS at Home service giving them the opportunity to do everyday things that most of us take for granted, such as shopping together or going out for a meal.

CHAS is 21 this year and we are supporting more families across Scotland than ever before. A huge part of what we do at CHAS is about creating lasting happy memories for the families we help and your gift will help us to continue providing quality care and support through our services today and tomorrow.

I have enclosed a copy of our newsletter, CHAS Chat, which I hope you will find interesting.

Best wishes

Amy Telford
