How to Select your Option Modules

Where appropriate, you are required to go through and select your Option Modules. The system will automatically guide you through the process ensuring that you select the correct option module credit. The example below shows how to select 40 credits from a combination of two separate option group lists.

ENT08101 Creativity, Innovation and Enterprise must be taken in either Trimester 1 or Trimester 2

Choose 40 credits from the options contained within this section

Choose a maximum of 40 credits in Trimester 1 from ACC08102/001, ENT08101/001, FIN08102/001, FIN08102/002, FIN08107/001, LAW08109/001, LNG07111/001, LNG08107/003, MKT07103/001, MKT08105/001, SOE08104/001, TSM08124/001

Too many credits

You have selected the maximum number of modules or credits from this section.

OK

When you've finished selecting your modules, click 'Submit Selections' to run the selected modules through the rules for your programme. The system will inform you of any errors that will prevent you from submitting your current selection.

Error Message

You may receive an error message if there are issues with your selections.

Selections Not Valid

You have not selected a valid combination of modules.

Hover over any icons for additional information (after closing the dialog):

- ✖ is displayed for any errors
- ⚠ is displayed for any warnings (which do not prevent your re-submission)

Once you are satisfied with any changes, submit your selections again.

OK

How to Resolve Errors

Once you have clicked 'OK' to close the dialogue box, a red cross will appear.

Submit Selections

To help understand and correct the error, you can compare the credit amount on the list of 'Selected Modules' with the required credit per box. In the example shown, a maximum of 40 credits are to be selected. However, 60 credits have been selected. To remove the excess module credits, select the Module from the "Select Module" box and click on the dustbin icon. A message will ask you to confirm your decision. Select "Yes".

Remove Selection

Are you sure that you wish to remove this module from your list of selections?

No

Yes

Confirm Selections

Once the error has been resolved, click 'Submit Selections' to recheck the Option Group List Rules. Next, click 'Confirm Selections' to approve and create your module enrolments, or click 'Undo' to go back and make further changes.
