

Layered Privacy Notice

Activity/Processing being undertaken: Graduation Survey

Edinburgh Napier University is providing you with this information in order for us to comply with the General Data Protection Regulation (EU) 2016/679, which requires us to tell you what we do with your personal information.

Who is collecting the information?

Edinburgh Napier University as the “Data Controller”.

Who are we sharing your Personal Data with (externally)?

Your personal data will not be shared with any third parties.

Where applicable **anonymised** data may be disseminated to relevant funders, used to share good practice across the UK Higher Education Sector and for research purposes, which may include publication.

The University undertakes to maintain your information securely and will restrict access to employees, our professional advisers, authorised agents and contractors on a strictly need to know basis. We will only disclose your data to external third parties (other than any specified above) where we:

- Have your consent
- Are required to do so under a statutory or legal obligation, or
- Are permitted to do so by Data Protection legislation.

Why are we collecting it/what we are doing with it (purposes)?

To evaluate the graduate events with a view to responding to attendee feedback and making changes to the ceremony/reception as appropriate to improve the experience for attendees.

What is the legal basis for processing?

Our basis for contacting you to take part in the survey is in terms of Article 6(1)(f) as it is in our legitimate interests to seek out feedback from students who attended graduation events to help us improve future events. We will only contact you once about the survey.

Your participation in the survey is voluntary so the personal information you provide in your response will be processed as per your consent in terms of Article 6(1)(a) of the GDPR. If you change your mind after submitting the survey and wish to withdraw your consent, you can do so by emailing student.surveys@napier.ac.uk

How are we collecting this information?

Novi Survey

What information are we collecting (whose information and what type of personal data)?

Students who attended graduate events:

Which ceremony you attended

Your level of study

Age

Location of permanent address (i.e. UK/overseas/EU)

Who can see your information within the University?

Only University staff from the Student Support Service involved in the organisation and running of the graduation event and the Planning and Business Intelligence team will be able to see your information.

How long is your information kept?

Your information will be held for one year from the date the survey is undertaken. Anonymised data may be held longer.

Further information can be found online at:

<https://staff.napier.ac.uk/services/governance-compliance/governance/records/Pages/RecordsRetentionSchedules.aspx>

How secure is your information?

Information is stored on servers located in secure University datacentres. These datacentres are resilient and feature access controls, environmental monitoring, backup power supplies and redundant hardware. Information on these servers is backed up regularly. The University has various data protection and information security policies and procedures to ensure that appropriate organisational and technical measures are in place to protect the privacy or your personal data.

The University makes use of a number of third party, including “cloud”, services for information storage and processing. Through procurement and contract management procedures the University ensures that these services have appropriate organisational and technical measures to comply with data protection legislation.

Who keeps your information updated?

Not applicable

Will your information be used for any automated decision making or profiling?

No

Is information transferred to a third country? Outside the EEA and not included in the adequate countries list.

No

Is any other information available?

A – You can access all the University’s privacy notices using the following link:
