

## Layered Privacy Notice

### Activity/Processing being undertaken: Student Open Days

Edinburgh Napier University is providing you with this information in order for us to comply with the General Data Protection Regulation (EU) 2016/679, which requires us to tell you what we do with your personal information.

### Who is collecting the information?

Edinburgh Napier University as the “Data Controller”.

### Who are we sharing your Personal Data with (externally)?

Your data will not be shared with any third party.

The University undertakes to maintain your information securely and will restrict access to employees, our professional advisers, authorised agents and contractors on a strictly need to know basis. We will only disclose your data to external third parties (other than any specified above) where we:

- Have your consent
- Are required to do so under a statutory or legal obligation, or
- Are permitted to do so by Data Protection legislation.

### Why are we collecting it/what we are doing with it (purposes)?

To register and administer your attendance at the Student Open Day

### What is the legal basis for processing?

Your personal data will be processed in terms of Article 6(1)(b) of the GDPR as it is necessary for the performance of a contract (i.e. our responsibility to administer your attendance at the event you have registered for)

### How are we collecting this information?

University Web Form

### What information are we collecting (whose information and what type of personal data)?

Student Open Day Attendees - First Name, Last Name, Email, Postcode, Open Day Campus, Disability check

### Who can see your information within the University?

Student Recruitment Team, Information Services

### How long is your information kept?

Two years from when it is collected.

Further information can be found online at:

<https://staff.napier.ac.uk/services/governance-compliance/governance/records/Pages/RecordsRetentionSchedules.aspx>

### How secure is your information?

Your information is stored on servers located in secure University datacentres. These datacentres are resilient and feature access controls, environmental monitoring, backup power supplies and redundant hardware. Information on these servers is backed up regularly. The University has various data protection and information security policies and procedures to ensure that appropriate organisational and technical measures are in place to protect the privacy of your personal data.

The University makes use of a number of third party, including “cloud”, services for information storage and processing. Through procurement and contract management procedures the University ensures that these services have appropriate organisational and technical measures to comply with data protection legislation.

**Who keeps your information updated?**

Student Recruitment Team

**Will your information be used for any automated decision making or profiling?**

No

**Is information transferred to a third country? Outside the EEA and not included in the adequate countries list.**

No

**Is any other information available?**

You can access all the University’s privacy notices using the following link:
