5.3. In relation to the recent industrial action regarding the 1% pay rise a member noted that national bargaining presented challenges for Scottish Universities given the divergence of higher education policy and funding in Scotland from the rest of the UK.

5.4. In relation to employee engagement, the Principal reported that the headline figures had shown an encouraging increase in satisfaction from an extremely high response. Detailed analysis of the findings was underway and further detail would be provided to Court, through its HR Committee, in due course.

5.5. Thereafter, Court noted the report.

6. UPDATE ON FUTURE OF RESEARCH INSTITUTES*  UC(13/14)31
6.1. The Vice Principal (Academic) introduced the paper which provided an update on the process of consultation regarding the proposal, within the overall context of the emerging research strategy, to move Research Institute activity into academic Schools to enable the alignment of research and teaching and to ensure this would be sustainable. Court was also given a summary of the University’s recent REF submission as further context. It was noted that a large volume of feedback had been received from a wide range of consulted parties which had been very supportive of the proposal overall.

6.2. Discussion followed during which a number of points were noted, including the importance of preserving the momentum of commercialisation activity within the new structures, the importance of articulating what success would look like post integration, the importance of allowing differentiation in approach according to the circumstances of particular areas and the importance of clear leadership to help with the challenge of implementation.

6.3. Thereafter, Court welcomed the update.
7. APPROVAL OF THE ANNUAL REPORT AND AUDITED ACCOUNTS 2012/13

7.1. The Acting Finance Director introduced the paper which was presented to enable the Court to discharge its statutory responsibilities in respect of the Financial Statements for 2012/13. It was noted that the statements had previously been approved by the Finance & Commercialisation Committee and the Audit Committee. A minor amendment concerning deletion of a reference to shareholders and directors which would be made to the letter of representation was highlighted to members.

8. REVIEW OF CURRENT FINANCIAL POSITION

8.1. The Acting Finance Director introduced the paper which gave Court an update on the University’s financial position to 31st October 2013. It was noted that variances against budget were mainly due to timing issues and that the results overall gave no cause for concern. It was noted that the projected shortfall in tuition fee income would be covered by reducing the sum available in the strategic investment fund in order to facilitate achievement of the budgeted surplus. The Principal observed that the impact of this reduction would be less significant this year given the current process of strategy review, but that efforts must be made to protect and deploy the investment fund in support of the new strategy in future years.

8.2. The Principal advised Court that, following the unsuccessful outcome of the process to recruit a Director of Finance, it had been decided to appoint an interim Finance Director until such time as a permanent appointment to the role could be made. Court extended its gratitude to the Acting Finance Director for his excellent work in covering the role to date.

8.3. Thereafter, Court noted the report.

10.2. In response to a member’s query it was confirmed that all Universities now use a common structure, but that there was considered to be some inconsistency of process and tone of engagement between institutions.

10.3. Discussion followed during which a number of points were raised and clarified in relation to the information contained in the draft. It was noted that, where appropriate, the draft would be amended to reflect members’ comments.

10.4. Thereafter Court:

UC(13/14)29

11.1. The Vice Principal (Internationalisation) introduced the paper which presented for Court’s information an update to the Key Performance Indicators that are used to monitor progress towards the University Strategy 2015. An overview of performance against the indicators was given and areas which continued to prove challenging, including student satisfaction, league table performance and recruitment of international students to Edinburgh were highlighted. It was noted that attempts had been made to include benchmark and comparator information where possible, but that not all the current KPIs lent themselves well to this.

11.2. Discussion followed during which it was agreed that the KPIs for the new strategy would include targets and contextual narrative in addition to benchmark and comparator data to make them useful and meaningful to Court members.

13.2. Court was also invited to approve the extension of the external audit contract for one further and final year as recommended by the Audit Committee.

13.3. In response to a member’s questions regarding the UKBA report and Business Continuity report the convenor confirmed that good progress had been made in the past year in closing down agreed recommendations to the satisfaction of the internal auditors.

13.4. In response to comments from members regarding the performance of the Edinburgh International College (EIC) (pathway college) and the need to reflect on the value of entering into such relationships it was noted that the performance of the College to date was disappointing. It was noted that the University was already substantively compliant with the Code and that matters before the Court at this meeting for approval, and matters to be dealt with in the course of the review, would ensure the University was fully compliant by the end of the session. It was noted that
members would receive a questionnaire before Christmas and that a series of facilitated discussion groups would be held with members in February.

14.2. In response to a member’s query regarding the proposed amended Statement of Primary Responsibilities it was agreed that the locus of primary responsibility under responsibility 16 should include Estates and Audit Committees. This was agreed.
