

IN-DEPTH RESEARCH

FASTER

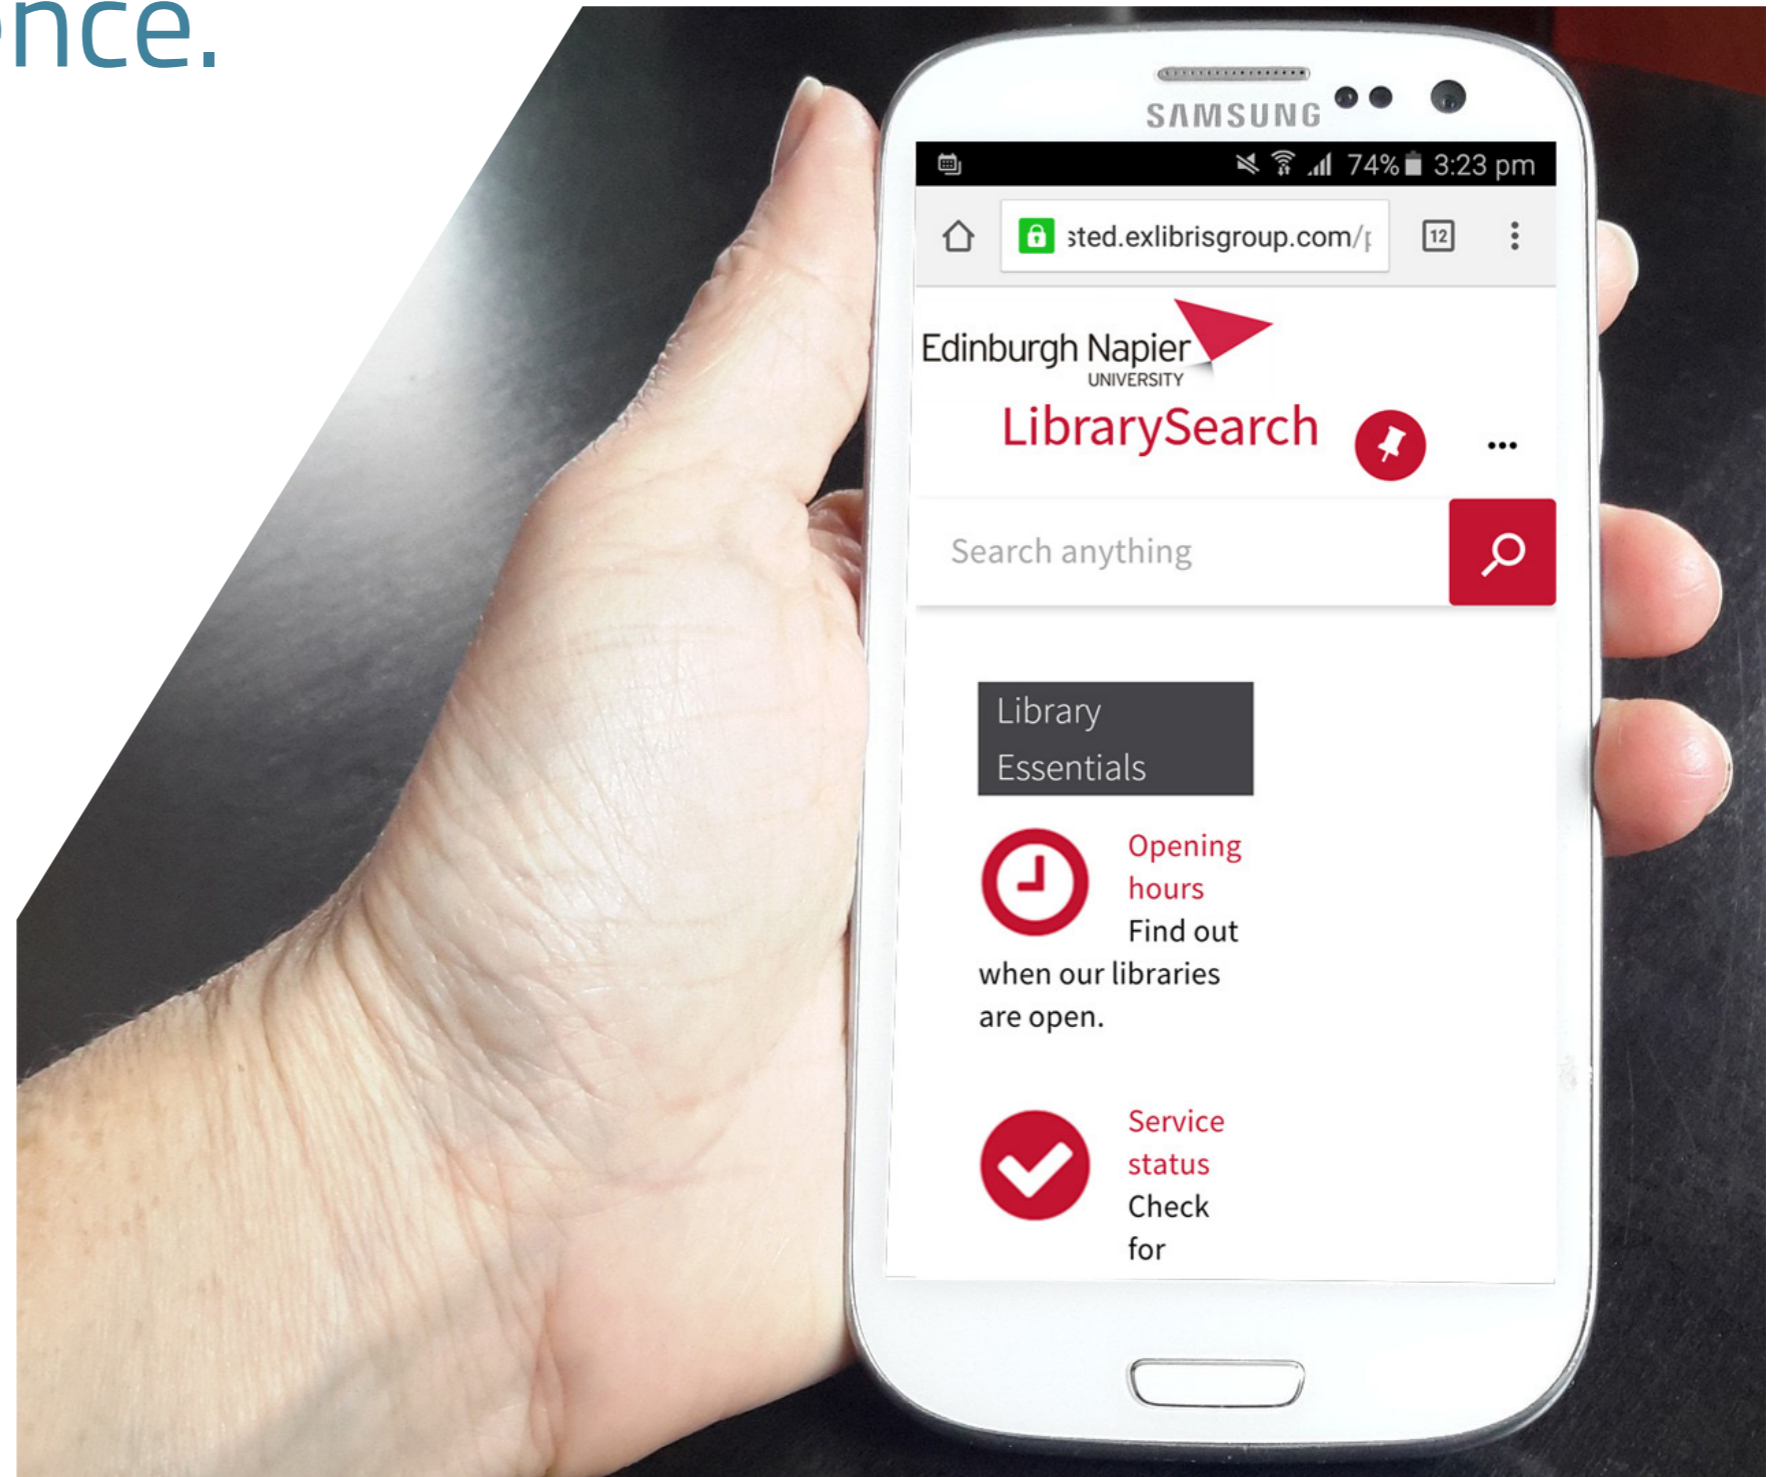

*The new **LibrarySearch***

Mobile-friendly

Significantly improved mobile device experience.

- ▶ Fast and easy searching
- ▶ One click access to online resources.
- ▶ Improved mobile login to help you access licensed resources.

Moodle linking

Links to Library resources from Moodle

If you have links from Moodle modules to items in LibrarySearch, these will continue to link to the previous interface and provide access to resources.

From mid-November, permalinks will redirect to the new interface.

Permalinks update Nov 2016

Find it fast

Once click access gets you directly to 100,000s of resources

NOTE: Many journals will be available from more than one database.

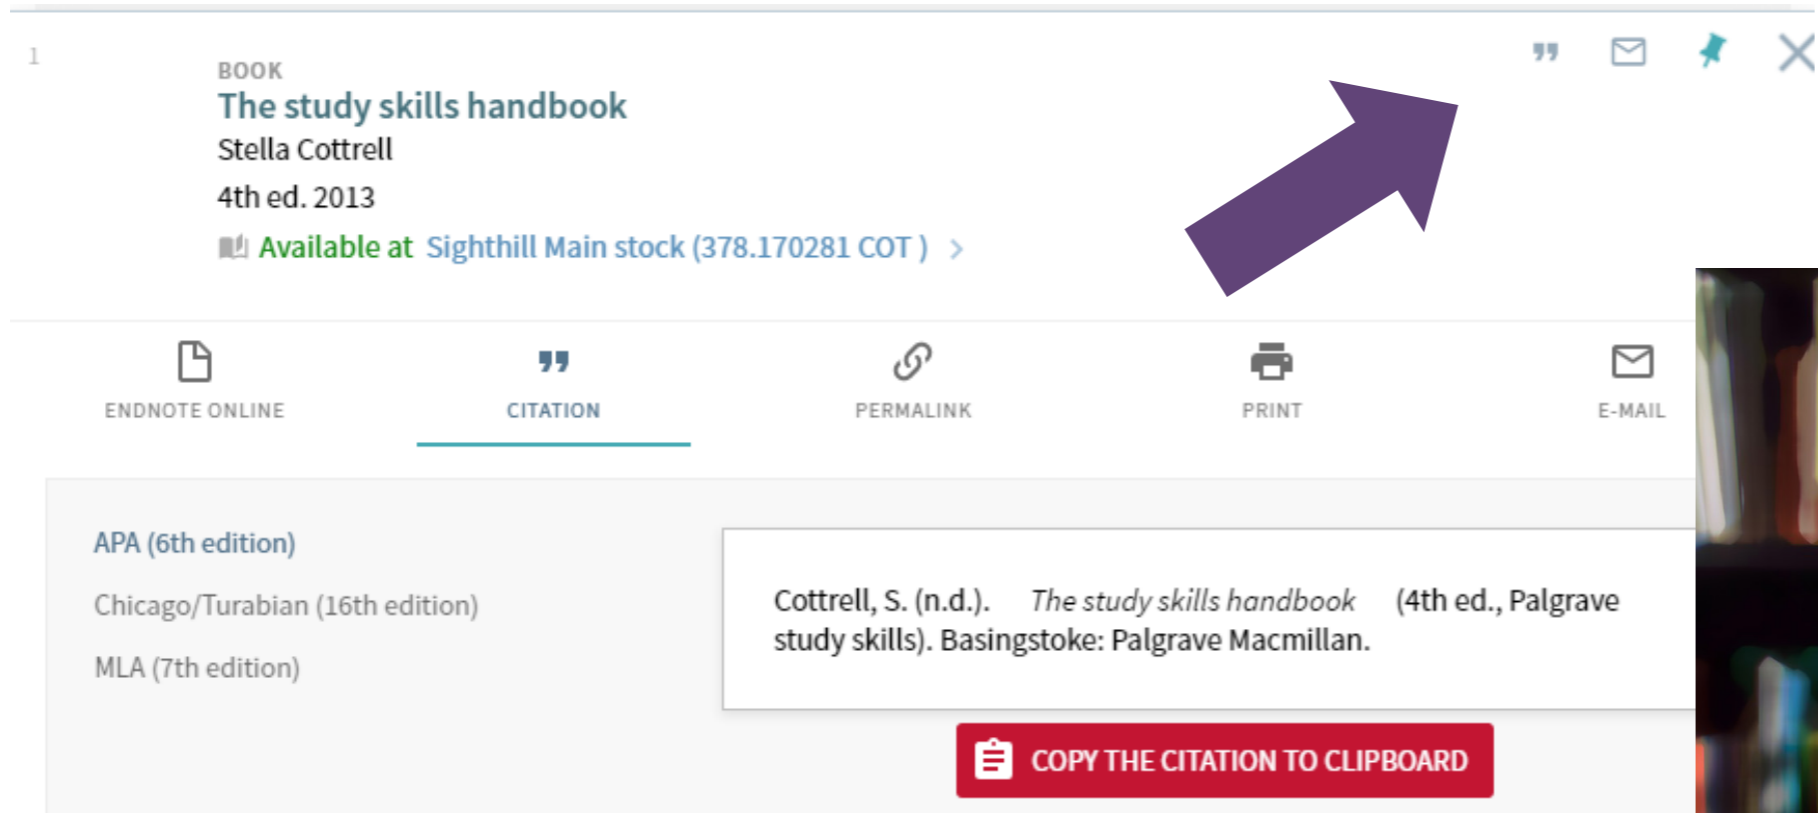

A journal can be available from 1987 in one database and 2005 in another.

Click on the **title** of the journal for the different databases and years.
