

**Ebook functionality: Ebook Central [previously Ebooks Corporation/EBL/MyiLibrary]**

|  |  |
|--|--|
| <b>Number of users</b>   | Unlimited for most titles, but some have 1- or 3-user limits.  |
| <b>Mobile friendly (online)</b>  | Good reading experience on iPad, iPad mini and iPhone.   |
| <b>How much can I print or download?</b>                               | The ebook homepage states how many pages can be copied, printed, or downloaded as a PDF. Chapters can be downloaded up to the combined print/download limit. <b>The print/download allowance for a specific user is renewed after 24 hours.</b>  |
| <b>Chapter download</b>  | Click Chapter Download. Choose chapter and citation style. Click Open PDF <b>quickly</b> , otherwise the option disappears. Save to laptop. <b>Counts as part of your print/download allowance.</b>  |
| <b>Warning! Ebooks divided into parts containing multiple chapters</b> | For these books, <b>clicking current chapter will print/download the entire part.</b> To print or download a chapter, enter the page range.  |
| <b>Full book download</b>  | <b>Some books in heavy demand/which are limited to one user at a time are not available for download.</b> Other books, depending on the title, are downloadable for 1 to 3 days. Downloading to University pcs is not possible (as Adobe Digital Editions is required).  |
| <b>iPhone/iPad mini/iPad/Android phone/tablet: download</b>            | <b>Bluefire Reader and an Adobe ID are required.</b> You only need to follow these steps once. Click Full Download. Your device type is automatically selected. Click the Adobe ID link to set up an account. Finally, click on Get Bluefire Reader to go to the Bluefire Reader page in the App/Google Play Store.  |
| <b>Download to Kindle</b>  | No.  |
| <b>Share Link to Book</b>  | Link can be copied.  |
| <b>Search within book</b>  | Yes.   |
| <b>Highlight, add notes bookmark</b>                                   | Yes. Use the icons above the page  |
| <b>Export to EndNote</b>   | Click "Cite Book" on the book homepage. Select required citation format. Select EndNote/Citavi. When you click on the file produced from a networked pc on campus, you are asked if you want to choose an application to open the file. Choose EndNote. Otherwise, click open in folder from the dropdown arrow. Off campus, the citation can be copied but it is not possible to save the file as .ris or .enw. |
| <b>Read aloud</b>  | No read aloud functionality.   |
| <b>Accessibility Mode</b>  | For screen reader users (of e.g. JAWS, NVDA, or VoiceOver) instructions to turn on accessibility mode are given when the page is accessed. Book pages are presented as text rather than  |
