

# Email alerts and saved searches

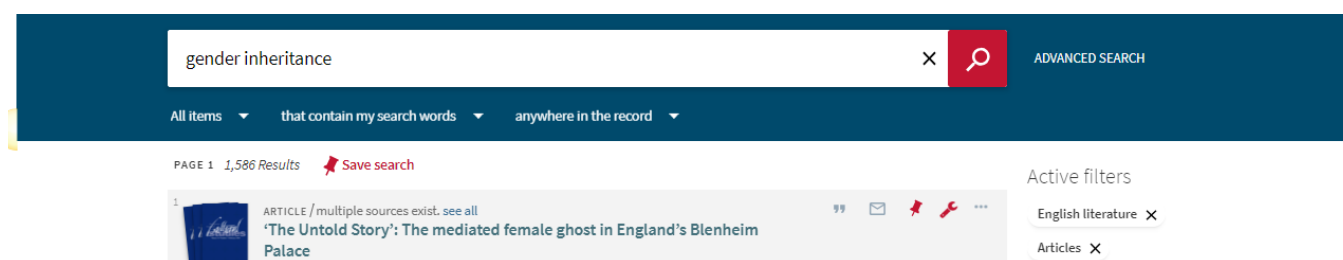

1. Before you start, log into LibrarySearch – <http://librarysearch.napier.ac.uk>.

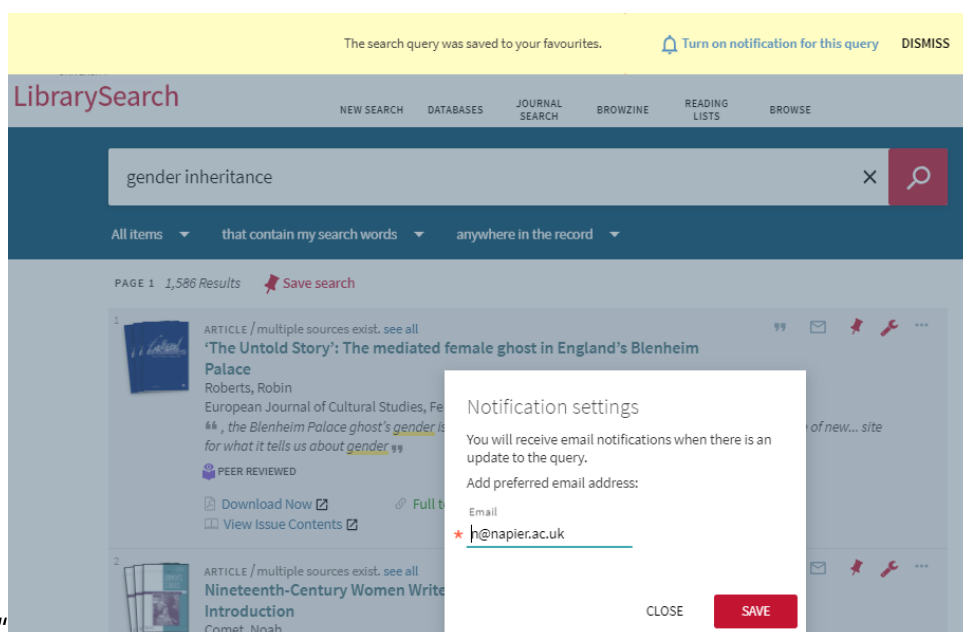

2. Run your search. Refine your results using the options on the right hand side if required, e.g. by format or subject.

3. Save search

4. To receive notifications, select "Turn on notification for this query", add your email address and then **Save**.

5. To see your Saved Searches, select the pin icon, then Saved Searches.

6. You can delete your saved searches using the "unpin this search" icon on the right.
