

# Email alerts and saved searches

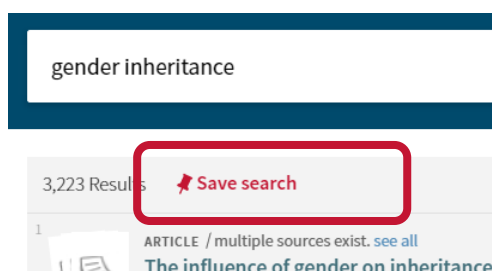

1. Before you start, log in to LibrarySearch – <http://librarysearch.napier.ac.uk>. Hover over **Not signed in**, and choose **Sign In**.

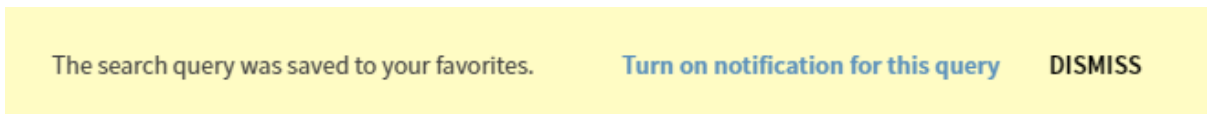

2. Run your search. Refine your results using the options on the right hand side if required. e.g. By format or subject.

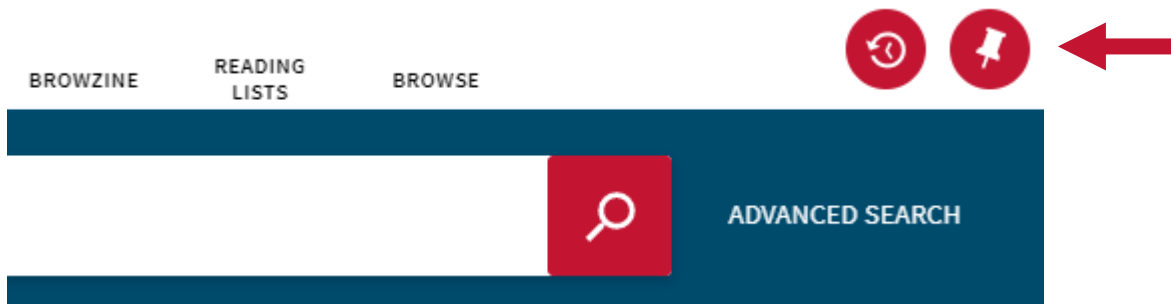

3. Choose Save search.

To receive email notifications, select 'Turn on notification for this query', add your email address and then **Save**.

4. To see your Saved Searches, select the pin icon, then **Saved Searches**.

You can delete your saved searches using the 'unpin this search' icon at the right.
