Please note
Nexis newspapers have moved to a new site. However, links from LibrarySearch are only going to the home page at the moment. Below are instructions on how to locate an article found in LibrarySearch on the new Nexis platform.

1. Search for an article in LibrarySearch. Click on the article title.

2. Copy the article title.
3. Click on Nexis UK to link to the Nexis platform.

4. Paste the article title into the Nexis search box and search.

5. Click on title to view the article.
