

## Edinburgh Napier Community Moodle Mentorship Update Portal

### Mentor in Practice? Struggling to keep up to date?

If this is your situation, do not worry any more. To support the mentor's ability to address the NMC requirements for Annual Updating and Triennial Review, The Lothian and Borders Mentorship Steering Group have developed a Mentorship Update Portal.

Return this application form and we will send login details for our Update Site.  
NHS staff are advised to use Firefox browser in practice areas.
