Appendix 1 Authorisation Form

1. Normal Working Hours

Normal working hours for any given School or Service shall be determined by the Dean of School or Director of Service in consultation with senior management, Human Resources and other appropriate staff.

Reference should also be made to the “Working Alone Policy” as other approvals and restrictions may apply.

2. Authorisation for Access Out With Normal Hours

Access to a School or Service out with normal working hours shall be at the discretion of the particular Dean of School or Director of Service or their nominee and subject to such conditions as may be imposed by him/her to ensure the safety of the personnel concerned. The Authorisation Form (see Appendix 1) shall be completed for anybody planning on working on campus out with normal hours and will be managed by the School/Service.

3. Procedure

Any person in University premises out with normal opening hours for those premises shall sign in at the premises (security office) when they enter and leave, state their intended place of work, and be prepared to show proof of identity to Security or School/Service personnel.

4. Experiments

Experimental work of a potentially hazardous nature should not normally be carried out at night, weekends or other times when the University is closed. If it is essential that such work is carried out during this period written authorisation must be obtained from an authorised signatory in the School/Service.

5. Emergency Preparedness

Appropriate storage and emergency procedures in place to deal with emergency situations, e.g. spill control, first aid, fire, etc.

[University Emergency Response Procedures](#)

Use of the university hazardous database for recording all chemicals held and brought onto the university properties. If you require access to this system, please contact the [Health & Safety Office](#).

Policy: Access Out With Normal Working Hours
Revision Date: June 2023
Version: 3.1
Author: Health and Safety Office, Edinburgh Napier University

6. Research Students and Assistants

Full-time research students and assistants may not work out of hours unaccompanied unless given specific authority in writing by the Dean of School or their nominee. Part-time research students and other students must be accompanied/supervised by a member of staff.

7. Overnight Working

No person shall use non-residential University premises for overnight accommodation.

8. Risk Assessment Requirements

A risk assessment must be produced for all lone working or where experimental works are taking place ([risk assessment form](#)). This form requires to be held by the individual and a copy passed to the line manager for this area.

As part of the risk assessment, medical fitness and those covered by a PEEP for anyone working alone shall be taken into account.

Any additional assessments for the project must also be included, e.g. Control of Substances Hazardous to Health, Dangerous Substances and Explosive Atmosphere Regulations, Manual Handling, etc.
