Overall, 2021-22 was an incredibly busy year. If I had to look back over the whole period, I would say my main achievements were;
Provide additional support to departments to complete the MYC activities (from Summer 2021) – this included some bespoke support (such as the support sessions for P&F. the development of a more

In terms of my delivery, I have made sure continuation of the business happened by standing in for colleagues and taking over their delivery / courses where required. I think I have done well in particular with the professionalism value, by striving to deliver excellent output (e.g. recommended improvements in the managing teams content) and being there when we were severely under staffed.
